

**INSTRUCTIONS:** Print this page. Cut out one or more Program Schedules. They are sized to fit inside your Shabbos Smart Switch door panel. Just fold them in half!

**Suggested use:**

- 1) Draw a Circle in the appropriate time slot for the ON time
- 2) Write the Program # in the Circle
- 3) Draw an X for the OFF Time
- 4) If desired, draw a line connecting the ON and OFF times
- 5) You can also show if only an ON time or OFF time has been set
